

The 10th District Student Leadership Advisory Board is collecting [school supplies to send to kids in Iraq](#). Folders, notebooks, paper, pens and pencils will be shipped to eight schools in Balad, about 45 miles northwest of Baghdad. Our students will also become pen pals with their Iraqi peers. If you're interested in helping our students, you can drop off school supplies at our Deerfield office at 102 Wilmot Road, Suite 200.
